Forward-Looking Statements

Statements contained in this document, particularly those regarding possible, projected, or assumed future performance and results, including growth outlook, forecasted economics, operations, production, contracting, costs, prices, earnings, returns, and potential growth, are or may include forward looking statements. Such statements relate to future events and expectations and as such involve known and unknown risks and uncertainties. These risks and uncertainties include, among other things, market conditions, weather risks, economic and political risks, and other factors discussed in Maple's Admission Document available on the Company's website (www.maple-energy.com). Forward-looking statements are not guarantees of future performance or an assurance that Maple's current assumptions and projections are valid. Actual results, actions, and developments may differ materially from those expressed or implied by those forward looking statements depending on a variety of factors. Furthermore, any forward looking statements presented are expressed in good faith and are believed to have a reasonable basis as of the date of this release. These forward looking statements speak only as at the date of this release, and Maple does not assume any obligation to update any forward looking statements, whether as a result of new information, future events, or otherwise.
